

**Grayton Beach Neighborhood Association
Annual Meeting
October 6, 2018**

Message from Bob Murphy, President

We are glad to welcome all past and present members of the GBNA to our annual meeting and gathering. Unfortunately for me, I am required to be away this weekend to attend the wedding of my niece in Boston. She is the only daughter of one of my favorite 4 sisters and I cannot miss it. There is a lot going on in our association, and I know Billy, along with the rest of your Board, will fill you in on the details of interest to our members.
